Whereas in the providence of God, Capt. Samuel Blackwell has recently been called from labor with us to his reward above, therefore:

Resolved, 1. That in the death of Brother Blackwell the Church has lost a faithful member, the cause of missions an able advocate, and this Board one of its truest and best members. He was a member of this body for almost twelve years, and during all this time he was faithful to attend our meetings, and wise in counsel, and always gave his powerful influence to any movement that looked toward progress or enlargement of the work.

Second.—That we will remember him in gratitude to God, ever endeavoring to emulate those virtues for which he was prominent.

Third.—That we tender to his widow, his children and other loved ones our tenderest sympathies in the loss they have sustained in his death, and that we pray God's gracious blessings upon them in their bereavement.

Y. W. C. A.

The following resolution was unanimously adopted:

Whereas, There is now pending an amendment to the Constitution of the Young Women's Christian Association to substitute for actual membership in an evangelical church a simple declaration of purpose to follow the Lord Jesus Christ, as a membership test for College Associations, and

Whereas, the Young Women's Christian Association is the only evangelical religious organization that is maintained among the students of our colleges, and that we believe such a substitution would not only limit and circumscribe the usefulness and efficiency of the Young Women's Christian Association, but eventually, so liberalize our Local Associations as to measurably neutralize the teaching of the evangelical churches, by admitting to office and leadership Christian Scientists, Unitarians, Universalists, Humanitarians, etc., therefore be it

Resolved, That the North Alabama Conference of the Methodist Episcopal Church, South, in annual session at Birmingham, Alabama, does hereby express its regret that such a step is contemplated by this honored and useful Christian organization, and that we do urge upon its members loyal adherence to the high evangelical ideals that have heretofore characterized its work, and especially do we urge the Triennial Convention, that convene at Ocean Grove, New Jersey, in April, 1919, that they continue to require of all who seek their fellowship, personal loyalty to Christ and His Church as the basis of their connection with the organization.

REPORT OF THE DIRECTORS OF THE ALABAMA METHODIST ORPHANAGE

Your Board has attended to the duties assigned to the best of its ability. At the three meetings in Selma there has been a good attendance of the members. Last Conference there was reported:

Children in Orphanage.....	90
There has been received since.....	33

123

There has been dismissed since.....	50
-------------------------------------	----

Number now in Orphanage.....	73
------------------------------	----

Number from North Alabama Conference.....	35
---	----

Number from Alabama Conference.....	38
-------------------------------------	----

The Superintendent's Report shows a balance in the Current

Cash Account of.....	\$7,327 37
----------------------	------------

Rev. J. C. Craig, Agent and Superintendent, has for several years past expressed a desire to return to the pastorate, but, has, convinced by the unanimous vote of the Directors, remained at the head of the Orphanage. He tendered his resignation to the Board at a meeting held in August, but finally consented to remain until Conference. He has again expressed to his friends a desire to be relieved and we feel it due to every one interested to make a detailed statement of the facts considered by the Board in passing on his well-known desire in the matter. The records of the office of the Orphanage collected October 3rd, 1918, show facts and figures as follows:

Rev. J. C. Craig took charge December 15, 1911, just as the Orphanage had been removed from Summerfield to Selma, at a time when the affairs were in an unsettled and badly disorganized condition. The situation demanded a strong leader of courage, poise, and sound of heart and head. How far he succeeded can be seen by the following data:

There were in the Orphanage the date he took charge.....	84	Children
Since then there have been admitted.....	209	"
Total.....	293	"

During these seven years there has been comparatively little illness and only one death, caused by an accident. This is a record worth while and it denotes scrupulous care and attention. Preventive hygiene and sanitation prevail throughout the institution and entire premises. There are neat rooms, cleanly baths and closets and assembly and class rooms well painted and ventilated. The pantry, cold storage, dairy and kitchen are all that could be asked. The dining room is inviting and the fare as wholesome as can be desired. This has been made possible by the funds from our Conferences and friends, by the generous physicians, dentists, school authorities and the business men of all creeds,—by the citizens of Selma. It has been achieved by the co-operation of the friends of the Orphanage. But Rev. J. C. Craig and his refined Christian wife have been the guiding force, the managers who have had personal direction of the Orphanage.

The books show that in these seven years \$131,841.24 is total cash receipts added to fund on hand. In this is included \$5,000.00 collected by him, due on notes that were doubtful. The indebtedness of \$15,000.00 and interest has been paid and there is no indebtedness, except month's current expense. There has been paid for improvements, \$6,000.00 and for land \$8,500.00. There is an endowment of \$27,000.00 loaned at 6 per cent. and \$7,300.00 in Liberty Bonds.

Orphanages are difficult to manage without some mistakes and they never escape criticism. The children are usually badly managed and in most instances spoiled by poor training before they are received. There has been a minimum of criticism of Rev. J. C. Craig and the greater part of this has been baseless or puerile. The rareness of any just criticism is acknowledged by those who are the authors and has occurred less than a half dozen times in the last seven years. Taking it altogether, any one might covet the making of this record. The children are, as a class, well trained, well behaved and are under the best religious influence. As a body they seem contented and devoted to their managers.

The times are not propitious for radical changes where organizations like the Orphanage are doing well. We need tried men, proved men, to handle the helm in Church affairs now. In face of these pertinent facts, we have elected Rev. J. C. Craig for another year and request the Bishop to reappoint him. We feel we can assure our people and the public of his high Christian character and of our confidence in his ability and fidelity.

The term of M. P. Phillips expires with this session of Conference and his re-appointment for five years is requested. The Directors being C. W. Seale, 1919; J. W. Wilson, 1920; L. C. Branscomb, 1921; S. L. Dobbs, 1922; M. P. Phillips, 1923.

The Board is organized with J. H. Wilson, President; J. M. Dannelly, Secretary, and W. F. Ormord, Treasurer.

J. M. DANNELLY.

REPORT OF J. W. NORTON—SUPERANNUATE HOMES

To the Bishop and Members of the North Alabama Conference:

Dear Brethren:

We are happy to report that we have had another successful year in our efforts to provide homes for the superannuate preachers and widows and orphans of deceased preachers of the North Alabama Conference. We acknowledge with grateful hearts the guiding hand of our Heavenly Father in this late and great movement of the Church. It affords me pleasure to say that many good men and women contribute annually to this great cause; and places that we have visited oftenest, seem to contribute more liberally and willingly to this important interest of the Church.

Rev. J. W. Syler has donated a superannuate home at Gurley, Madison County, in the Huntsville District. The deed will be made at once, but by special arrange-

ment with him, we do not get possession of the property until later on. Brother Syler expects to make other donations in the near future. We have received deed for five acres of land, donated by Dr. W. C. Gewin of Birmingham, Ala. We have had some other homes pledged by individuals during the year.

The Executive Committee arranged for Mrs. J. F. Rudisill to occupy the Dr. F. I. Tarrant and wife superannuate home at North Birmingham, soon after the death of Brother Rudisill, just after our last Conference. She has recently given up the home on account of other plans, and that home has been assigned for occupancy by the Committee to Rev. J. W. Spencer.

By authority of the Executive Committee, the Chas. Schuessler and wife home at LaFayette will be occupied by Rev. W. F. Barnes, who will superannuate at this Conference, on account of declining health.

We think it worthy of special mention, that out of the eighty-two families of Conference Claimants in our Conference, forty-two families have been in some way assisted by this great movement. The blessings that have crowded into the hearts and lives of our Claimants, as a result of these superannuate homes, cannot be expressed in words.

Rev. Joshua Warren, who occupied our home at Pell City, and Rev. W. T. Pattillo, who occupied the John E. Morris Home at Montevallo, and Rev. J. H. Walker have passed on to their reward during the year. It will be recalled that the Home at Montevallo was built and donated to the Church by our dear brother, John E. Morris, deceased, the honored founder of this great movement. This was the first superannuate home built and owned by the Methodist Church, and Brother Pattillo was the first occupant. His widow in the midst of her grief and sorrow remains in that home.

Some repairs, not required of Claimants, have been made on some of the homes. We are glad to note that our Claimants, as a rule, take special pains in keeping up the property.

Rev. T. A. Kerr has spent \$20.00 on the Dr. Tatum Home at Center occupied by him.

We appreciate very much a special contribution of \$150.00 by Rev. McD. Howell, one of the honored superannuated preachers, who occupied the John E. Morris Memorial Home at Springville.

Mrs. Laura E. Timmons has spent \$53.00 on the Sunshine Superannuate Home, occupied by her, at Gadsden. The Home was also painted at her own expense some time ago. Other Claimants have made repairs and improvements on their respective homes, unassisted by the Board of Trustees.

We have thirty-four homes. They are kept insured and premiums paid to date. Our cash receipts aggregate \$6,228.65. The approximate value of Homes is \$85,000.00. The approximate value of homes pledged \$30,000.00. In addition to our cash receipts your Agent holds two notes amounting to \$2,990.00, balance due on sale of Letsinger Farm, a few years ago in the Florence District. The same bear 8 per cent. interest and secured by mortgage on the Farm. We hold also a note for \$1,000.00, the Malinda Rowe and Martha Rowe Watkins Superannuate Home Endowment Fund, for the North Alabama Conference. This amount also is well placed and bears 8 per cent. interest, which is collected annually.

Allow me to say that it would be impossible for your Agent to succeed with this great work, were it not for the splendid co-operation of your good Executive Committee, composed of Robert Echols, Chairman; J. D. Moore, Treasurer; Dr. F. I. Tarrant, Rev. J. D. Simpson, D. D., and E. J. Garrison; also your able Board of Trustees composed of all the Presiding Elders of the Conference, and one Layman from each District. Your Agent appreciates the special courtesy and helpfulness of these brethren beyond measure.

We humbly express our thanks to our good brethren of the Ministry and their families, who have manifested so much kindness and attention in our work.

We beg continued interest in your prayers, that the great head of the Church may enable us to make adequate and comfortable provision for all our Claimants.

Respectfully submitted,

J. W. NORTON, Agent and Trustee.

To the Trustees for Conference Claimants of the North Alabama Conference:

Dear Brethren:

Herewith I submit my Annual Report for the Legal Board.

To the Trustees for Conference Claimants of the North Alabama Conference:

Dear Brethren:

As Trustee and Treasurer for the Superannuate Homes, I herewith submit my financial report for this Conference year now drawing to a close.

I handle no cash, but receive the funds as turned over to me by the Agent, Rev. J. W. Norton, which he does by his check on his own bank where he has deposited the funds as collected. In turn I deposit his checks to credit of Superannuate Homes and draw against this account in making disbursements, thus having a double check on every transaction. During this Conference year I have received from the Agent

BOARD OF TRUSTEES

Superannuate Homes

Your Board of Trustees of Superannuate Homes respectfully submit report as follows:

From the facts set forth in the report of your Agent, J. W. Norton, and also of the Executive Committee, we note with pleasure another year of great success in this worthy cause.

The detailed information of the year's work is set forth in the Agent's report to this body.

Your Board ratifies and approves all expenditures made by the Agent and Treasurer in the prosecution of this work.

We respectfully recommend the re-election for a term of four years the following trustees to succeed themselves:

J. D. Moore, Treasurer; F. I. Tarrant, and Rev. J. D. Simpson.

We commend your Agent for his faithfulness and efficiency, and respectfully request the presiding Bishop to re-appoint him for the following year.

Respectfully,

ROBT. ECHOLS, President,
JNO. R. TURNER, Secretary.

SABBATH OBSERVANCE

Your Committee on Sabbath Observance beg leave to submit the following report:

The Sabbath is a day of rest—not a day of abstinence from daily toil merely, but also a day of rest both for the soul and the body.

In its observance we commemorate (1) a finished creation; (2) in addition thereto the deliverance of the Children of Israel from their bondage in Egypt and (3) the resurrection of Christ Jesus, our Lord.

Thus the Sabbath is made to the Christian the three-fold memorial of creation, providence, and redemption.

Moreover, it is a day, one in seven, which the Lord hath reserved to himself, that he may specially hold communion, through the fellowship of the spirit, with those whom he would bless and exalt in their love and character to a fuller revelation of the divine glory of eternal life.

Hence, this sacred day should be remembered as God's day, and should be kept apart from all other days—a holy day in which we hold sweet communion with God the Father, and blessed fellowship with His Son, Jesus Christ, our Lord.

Therefore, as the children of God in the Church of Christ, we should not only abstain from all desecration of this holy day; but, as a Church, and as a Christian nation, we should oppose every tendency, avoid every practice, and war against every agency and influence, whether it be of a public or private nature, that would render the day secular or make it one for holiday diversion or for social pastime and pleasure.

Among the agencies, the use and effect of which we regard as having a tendency to destroy this sacredness of the Sabbath, we may name Sunday picture shows and picnics, the Sunday automobile, and railway excursions, not to mention the Sunday baseball, and things of grosser and equally demoralizing nature.

Therefore, be it Resolved, That we hereby renew and pledge our unyielding opposition to all those things that tend to secularize and desecrate the Christian Sabbath day, and also to all avoidable business and means by which any of our citizens are deprived of their just rights to worship God, the Lord of nations; and by which they are denied their sacred privilege to attend religious services on the holy Sabbath day.

S. N. BURNS, Chairman.

W. M. TREADAWAY, Secretary.

TEMPERANCE AND SOCIAL SERVICE

We, your Committee on Temperance and Social service, beg leave to make the following report.

The Redemption of the World by force of arms from the evils of misgovernment has been splendidly matched by the redemption of America from the legalized evils of alcoholic liquors.

We rejoice that fourteen of the thirty-six States required to ratify the Constitutional Amendment have voted favorably on this question, and we feel optimistic as to the final outcome of the action of the Legislative bodies of the States. We must realize, however, "that eternal vigilance is the price of safety." Alabama must be made to feel the importance of demanding the unconditional surrender of this monster of monsters, and press the battle until our Nation shall be glorified by the final and complete victory over her worst foe.

The Anti-Saloon League and W. C. T. U., which have furnished such splendid leadership in the past, should be sustained, maintained and encouraged for an indefinite period of time, in order that there should be no relapse. While the prospects are very bright for the abolishment of the saloon from America, we must not forget the fact that our work for it will not be fully done unless we remain ever on the alert for the enforcement of these laws, and the keeping of men in office who are in sympathy with Prohibition.

Social Service

We commend the splendid work of the Wesley Houses and all Institutions that have for their aim the uplift of the fallen and the betterment of social conditions. We urge the Preachers and Laymen of our great Conference to lend such agencies their hearty support and co-operation.

L. F. WHITTEN, Chairman,

WM. H. MANSFIELD, Secretary.

COMMITTEE ON DISTRICT CONFERENCE RECORDS

We, your Committee on District Conference Records, have examined all the District Conference Records before us, and found them neatly and correctly kept. The Jasper District Conference Record was not before us.

Respectfully submitted,

I. H. HORTON, Chairman,

L. A. BUSBY, Secretary.

BIBLE SOCIETY BOARD

We believe that it has been the influence of the Bible on the minds and hearts of our people that has made us the great Nation we are. Our laws have been copied from it, and our conduct with other nations has been controlled by its teachings. The Bible contains the message the world needs, and should be put in reach of every individual in the world.

As the American Bible Society is the most efficient and economical agent through which this great task may be accomplished, we therefore endorse its work and recommend it to our people for continued support. We note with pleasure that the amount raised for the Society this year is \$845.00.

J. H. VANN, President.
H. P. WAITES, Secretary.

REPORT OF THE BOARD ON CHRISTIAN LITERATURE

Such periodicals and literature as are put out by our Church can but bear fruit if circulated and read. We, therefore, commend the same to all our people. Our Publishing House at Nashville is serving the whole Church and is justly entitled to the patronage of the whole Church; hence we urge our Preachers and people to buy their books and other literature through the same. We request also that our Preachers make free use of the leaflets and tracts which are furnished gratis by the House, and in so far as they can, keep on hand a supply of such tracts and pamphlets as they may be able to sell to our people. We commend our Publishing Agents for their efforts to make prompt deliveries during the period of the war.

The Alabama Christian Advocate has had another year of progress, the circulation having been increased by more than 6,000. It now has the largest circulation of any Conference Organ in our Church, but is still short of what it ought to be; we, therefore, urge our preachers and people to press the campaign until the circulation shall have reached 20,000 at least. We commend, most heartily, the work of the Editor and Business Manager, Dr. L. C. Branscomb, and respectfully request the Bishop to appoint him to the same for the ensuing Conference year.

Along with the Conference Organ we would commend, as heartily, the General Organ. This paper, by no means, has the circulation in our Conference it should have. We urge our people to take and read our General Organ. We would mention also, as of equal importance, the Methodist Review, The Missionary Voice and Epworth Era. Through these periodicals the religious thought of the day is being expressed, and if our people are to be an informed people they must read Methodist literature.

Our Sunday School literature is of the best and we request the Quarterly Conferences, as Boards of Managers in their respective charges, to see that every Sunday School is supplied with our literature.

We recommend the election of Revs. J. S. Robertson, S. T. Slaton and F. W. Brandon, clerical and F. B. Yeilding and J. A. Vann, Lay Members to serve with a similar committee to be appointed by the Alabama Conference, as the Publishing Committee of the Alabama Christian Advocate. Of the \$3,997.00 assessed by the Commission on Finance for Christian Literature, we would appropriate two-thirds for the support of the Alabama Christian Advocate.

Respectfully submitted,

W. P. McGLAWN, Chairman,
N. H. ABERNETHY, Secretary.

REPORT OF SUNDAY SCHOOL BOARD

A Forward Step in Teacher-Training

A new day has dawned in the Sunday School world. We look out upon the field white and ready for the reapers. Enlarging our borders, lengthening our chords and strengthening our stakes we are ready to carry out the program laid out by our great Church. We have no lack of machinery, and with the obligations that are facing the Sunday Schools we feel that we are fully able to accomplish any enterprise financial or otherwise.

We urge all our schools to put in the standard teacher training course and re-suscitate the dormant classes. We must have trained leaders if we succeed. We recognize the most pressing need of this which if we neglect, cannot develop a

strong vital organization. We heartily commend the movement started by Birmingham-Southern College for a correspondence course in religious education. A plan has been worked out by the Correspondence School of this institution by which any pastor, superintendent, teacher, or other persons interested in practical phases of religious education and Sunday School work may take by correspondence the Standard Training Course outlined by the General Sunday School Board. This plan is permanent. It has the hearty support of the department of Teacher Training, which is responsible for the supervision of the work of training Sunday School leaders in the Methodist Episcopal Church, South. It enables our ambitious young leaders who cannot go to college and cannot attend the regular training classes given in large cities to receive expert supervision and standard instruction with the least possible outlay. The individual has the same chance as the members of the Teacher Training Class conducted in person by some leader with the added opportunity to pursue his work when and where he may choose.

Any person finishing the work of the Standard Training Course by correspondence with Birmingham-Southern College will receive the same diploma now offered by the Teacher Training Department of the General Sunday School Board, but it will be signed jointly by the authorities of the College and the officers of the Board.

We recommend the adoption of this plan by the North Alabama Conference and hereby assure Birmingham-Southern College of our hearty support of this movement. To this end, it is urged that the following things be done: First, each preacher inaugurate a Teacher Training drive in his charge; second, a minimum of two pupils be secured in the charge of each pastor for the correspondence school of Birmingham-Southern College; third, a minimum of two scholarships offered by the Sunday Schools of each charge to the leaders who will take the Standard Training Course in Birmingham-Southern College by correspondence, the worth of each scholarship to cover the cost of the Standard Training Course; fourth, that this Board make a special feature of Teacher Training in the Sunday School whenever a public program is given. This plan does not interfere with the present system, but rather assists and enlarges.

The Centenary

We recognize the importance of the Centenary and its challenge to the Sunday School coming as it does when the forces of the Church must charge upon the hordes of evil or retreat in disgrace. We recommend that the Sunday Schools of the North Alabama Conference assume as an allotment of the Centenary the amount of \$50,000.00.

We urge that missionary committees be appointed in each school and that the monthly missionary program be given special attention. We further urge that all schools endeavor to raise an average of five cents a month per pupil enrolled, as a minimum offering on missionary Sunday, and that the Workers' Council direct all this money as a special for missions.

Sunday School Day

We urge that Sunday School Day be observed in all the schools. The purpose of this day is to educate the people in the scope and real meaning of Sunday School work. It covers a broader field than was touched by Children's Day, and presents all Departments of Sunday School activity. The greatest hindrance to the progress of our cause is the lack of knowledge on the part of the rank and file of its meaning and value. Hence the importance of regular observance of Sunday School Day.

Departmental Standards

The last General Conference created three new Sunday School Departments. The Elementary, the Intermediate-Senior, the Young People-Adult. These Departments are charged with actual processes of religious education through the Sunday School, of the Children, the Youth, and the Adults of the Church. This is a great forward movement, which will bring large results. We urge Pastors and Workers to familiarize themselves with the standards for the organization of the Elementary, Intermediate-Senior and Young People-Adult work in the local Sunday Schools, and to bring their schools as rapidly as possible up to these standards. Other Conferences are laying emphasis at this point, and their entire work is taking on new life.

The Field Secretary

We appreciate the work of our retiring Field Secretary. He has been faithful and energetic in the work committed to his hands, and re-enters the Pastorate with the best wishes of the Board.

The appointment of a Field Secretary has not been settled, but will be named by the Bishop in his appointments.

EPWORTH LEAGUE BOARD

We, your Epworth League Board, wish to say that we rejoice in the work now done by the Epworth Leagues of our Conference. They have held up wonderfully during the drain made upon them by the draft law. Our Leagues have done unusually good work under the circumstances.

Since we understand that the Cabinet of the Epworth League Conference will begin a systematic course of League Instruction over the Conference, we ask that the Presiding Elders give a place on the District Conference programs to the representative of the Cabinet.

We earnestly ask that our pastors assist the District Secretaries in the preparation of the District Institutes that will be held in each district during the coming Spring, and that they attend the same with as many of their young people as possible.

Realizing that the law of our Church requires that a league be organized in every charge, we urge every pastor who may not have a league chapter to correspond with the District Secretary or the Conference President for plans, etc.

We urge our pastors to attend the Annual Conference and Institute at Athens during the third week in June. The program last year was of an unusual type and the program for next year promises to be even better.

We note with pleasure the new financial plan passed by the last General Conference which gives the Epworth League a part of the Conference Claims.

We wish to thank the Committee for arranging for the Epworth League Anniversary and hope that we shall be given Saturday evening of each succeeding Conference.

We wish to acknowledge the appreciated assistance from the Central Office which we have received from time to time.

R. E. TYLER, President,
B. T. CANTRELL, Secretary.

BOARD OF CHURCH EXTENSION

Your Board of Church Extension is happy to report that we have received this year, from the hands of the Conference treasure \$1,235.13 more than last year, and that the interest of Church Extension is moving forward. The progress during this Quadrennium has been very gratifying. We are especially pleased with the increase in our Loan Fund. Four years ago, we had in this fund \$1,516.66. Now

we have \$9,674.27. We endorse most heartily the idea of Dr. Boaz, that where money is donated, the Board should take a refunding Bond, and we have adopted that as our policy. We are pleased to learn from the Dr. also, that in the near future the General Board will have in operation a Fire insurance, in which we can insure our church property, and save thousands of dollars to the Church, and we will rejoice to see that day.

Previous to this meeting, the demands on the Board were distressingly heavy, and the money in the hands of your Board with which to meet them, has been altogether inadequate; but at this meeting we have felt some degree of relief, as we have been able to grant more loans, and make more donations, in proportion, than ever before. We ask every Presiding Elder and Pastor in Conference to stand by, and help us carry forward this great work for God and the Church. And remember that we have thirty-five preachers in this Conference without a home to live in, and also remember that these Brethren are the men least able to rent a home. Also remember that we have one hundred and seven congregations without a house to worship God in. Listen, would you like to be sent to one of those charges, or to preach to one of those congregations? Brethren, help us to build these houses.

We would add, however, that probably 50 per cent. of these churches reported above as needed, that the congregations worship in buildings furnished by Land Companies who do not give lands to denominations for church purposes, but supply Union Churches.

We recommend that in order to secure the permanent establishment of a place of worship, or a house for the minister, we hereby request the General Board of Church Extension to secure all of our donations of One Hundred Dollars and over by a Mortgage and Refunding Bond.

In case the property ever passes out of the hands of the Methodist Episcopal Church, South, or ceases to be used as a place of worship, or of residence for ministers, or is devoted to other uses, then this Board shall have a lien on the property for the sum donated.

The Board of Missions requests the presiding Bishop to make the following appointments: J. O. Hanes, General Evangelist; J. A. May, Conference Evangelist, one-half his time to be given to work within the bounds of this Conference. Foster K. Gamble, Conference Missionary Secretary.

The Board of Missions presents the following to be elected as the Committee on Evangelism: J. B. Wadsworth, Geo. R. Stuart, K. N. Matthews, R. L. Blanton, L. F. Parrish, I. F. Hawkins, R. F. Lovelady.

In view of the unequal distribution of the expense of the printing of the Conference Journal among the various Boards, the Board of Missions urgently requests the Conference to take such action as will require all Boards realizing on assessments from the Conference to contribute to this item of expense in proportion to the amount realized on 1917 assessments.

(Signed) JAS. D. HUNTER, Secretary.

REPORT No. 2 OF BOARD OF MISSIONS

Your Board recognizes the Centenary of Missions as a providential movement, coming at a time when the heart of the world is broken and humanity is seeking the consolation of the Gospel of Jesus Christ.

Your Board of Missions is in hearty sympathy with every plan set forth by the General Board and urges upon every member of this Conference to carry back to their respective fields the information and enthusiasm that has come to us as a result of the messages brought to us today.

We especially urge Presiding Elders and Pastors to co-operate in every way possible in perfecting the organization that will assure the success of the movement.

We further recommend that our Conference accept the \$1,249,083.07 as our apportionment of the \$35,000,000 to be raised by our great Church.

We deeply appreciate the great service rendered by our General Secretary, Dr. W. W. Pinson and the team of experts, and shall remember them in special prayer as they lead us to a glorious consummation of the most glorious task ever undertaken by American Methodism.

JAS. D. HUNTER, Sec.

REPORT No. 3 OF BOARD OF MISSIONS

In view of the unprecedented opportunity which confronts our Conference in the great Centenary Movement, and realizing the stupendousness of the obligation resting upon us as one of the great Conferences of our Methodism:

Your Board of Missions unanimously request the presiding Bishop to appoint R. M. Archibald Conference Missionary Secretary as an additional worker in the field.

JAS. D. HUNTER, Secretary.

REPORT No. 4 OF BOARD OF MISSIONS

With great gratitude to God, your Board of Missions notes that notwithstanding the distracting and burdensome war conditions, the cause of Missions has not suffered. On the contrary, the year 1917 was our greatest Missionary Year. The increase of the General Board from all sources for all Departments was \$1,523,531. This was an increase of \$258,172 over 1916; this was not only by far our largest income but was also our largest increase. We rejoice that the year 1917 saw the liquidation of the debt on the General Board. With this handicap done away with, we feel that great things are just ahead of us.

We note with pleasure the successful year's work of our Conference Missionary Secretary, whose reports make the best exhibit during the eleven years of his service.

S. L. DOBBS, Treas.

BOARD OF EDUCATION

We close a quadrennium of progress, and in view of the plans for education adopted by the last General Conference, we look with confidence to the future.

The General Conference authorized the organization of an educational association, which was perfected last August at Lake Junaluska. Your Board accepts membership in this Association and has appointed as delegates to its next meeting, G. W. Read and W. T. Sanders.

We call attention to the fact that hereafter it is compulsory for undergraduates to take their course of study through the Correspondence School.

The General Conference requires us to nominate two commissioners to act with a like commission from the Alabama Conference, in planning the best way to permeate our State educational work with religious influence. We nominate the Pastor of the First Church, Tuscaloosa, and W. W. Brandon.

The report from Emory University shows that its success is assured. We recommend the appointment of J. D. Simpson as commissioner for the University in this Conference.

Athens College has had a satisfactory year. We recommend the election of G. W. Read, E. M. Glenn, R. H. Richardson, and W. T. Sanders to succeed themselves as trustees and P. S. Haley to succeed J. C. Kumpe, deceased.

We also recommend to the General Board of Education that Athens College be continued as an "A Grade College."

The Woman's College has also made considerable advancement in all ways. We recommend the election of J. S. Robertson as a Trustee to succeed himself and J. A. Vann to succeed J. D. Moore.

We also recommend to the General Board of Education that this College be continued as an "A Grade College."

The Conference some years ago established a loan fund which has been of great service in aiding students for the ministry. We appeal for contributions for this fund. W. W. Brandon has resigned as a trustee of this fund, and we recommend the election of J. McDonald Comer to succeed him.

Flat Rock High School is doing good work in its sphere, and we recommend it to the General Board of Education for financial help. But, as it is the policy of the General Board to appropriate money to a school of this character, not greater in amount than is contributed to it by the Conference in which it is located, we hope that S. L. Dobbs who has been acting in this interest will have a hearty response from our people.

The Commission on the unification of the two male colleges has submitted a report to the Conference, which is of such manifest importance, that we herewith incorporate it, in its entirety as a part of this report.

In view of the fact that it has been impossible to make the necessary transfer of property during this Conference year, we recommend the election of the entire Board of Trustees of the Birmingham College for another year, that the proper action may be taken. (See Supplement to Report.)

The union of the two colleges while not yet legally accomplished has in fact taken place, and Birmingham-Southern College is now in successful operation.

As a part of its work it proposes to add the correspondence feature, and we suggest the adoption of the following:

That the Correspondence School of Birmingham-Southern College be recognized as a special object of co-operation by every preacher in the North Alabama Conference.

That support be pledged to the program of the school by aiding in an educational census for the College.

That a monthly card be sent to the College answering such things as may be asked for by the College.

That all presiding Elders include in the quarterly report of the P. C. the additional query: What has been done for our College at Birmingham?

That all literature of the special correspondence school of Birmingham-Southern College be disseminated to the end that our College may serve our State in the widest possible manner.

We have received from the Conference Treasurer \$20,645.07.

This we have disbursed as follows:

Printing Minutes-----	\$ 201 03
Expense of Board-----	99 00
General Board-----	2,807 29
Birmingham College-----	10,522 65
Athens College-----	4,910 57
Woman's College-----	2,104 53

We recommend the following appointments: H. C. Howard, Professor in Emory University; P. C. Oliver, M. L. Smith, and S. A. Swindle, students in the Emory University; B. B. Glasgow, President Athens College; C. A. Bowen, Professor in the Woman's College; R. M. Hawkins, Professor in the Birmingham-Southern College; L. G. Alverson, Principal in Flat Rock High School; F. W. Brandon, Conference Secretary of Education.

Supplement to Board of Education Report

To the Bishop and the Members of the Alabama Conference, and the North Alabama Conference of the Methodist Episcopal Church, South:

Dear Friends and Brethren:

The joint commission for unification of Alabama Methodism in one Male College located at Birmingham, Alabama, respectfully submits the following report:

The Commission met within sixty days after their appointment with Bishop J. H. McCoy as Chairman and perfected the organization of the commission as provided for in the contract between the Conferences.

We have received from the Board of Trustees of the Birmingham College satisfactory assurance that One Hundred Thousand (\$100,000.00) dollars will be secured independently of any sum or endowment which may come from or be raised by the Alabama Conference. We report that subscriptions aggregating practically this amount have been secured and presented to the joint commission. A detailed statement of cash, bonds, property and subscriptions to be applied to the satisfaction of such amounts is attached hereto and made a part hereof.

In view of the war conditions which made the construction of the Forty Thousand (\$40,000.00) Dollar dormitory by the North Alabama Conference impracticable and unpatriotic, we extended the time for construction of the dormitory until conditions are suited to its construction, but have received from the representatives of the North Alabama Conference satisfactory assurance that the dormitory will be built by the North Alabama Conference without any financial aid from the Alabama Conference when required by this Commission or by the Trustees of the Birmingham-Southern College.

We have adopted as the name of the consolidated institution, Birmingham-Southern College. We have elected Dr. C. C. Daniels, President of the consolidated college, and have elected a faculty and begun under successful auspices the college work for the term of 1918 and 1919.

As authorized by the contract between the conferences, we have fixed the amount of assessments to be made upon the Conferences at Twenty Thousand (\$20,000.00) Dollars, and have pro rated it between the two Conferences as follows: The Alabama Conference, Eight Thousand Six Hundred Fifty (\$8,650.00) Dollars, North Alabama Conference, Eleven Thousand Three Hundred Fifty (\$11,350.00) Dollars.

We find no legal authority for the consolidation of educational institutions in keeping with the spirit of the contract between the Conferences, but will recommend to the Legislature at its next session in January, 1919, an Act which will provide for such consolidation. To meet the present needs for a consolidated organization we have organized a corporation known as Birmingham-Southern College, Inc., a copy of the corporation papers are attached hereto and made a part hereof.

We have not deemed it advisable to have the Board of Trustees of Birmingham College or the Board of Trustees of the Southern University deed to the Birmingham-Southern College, incorporated as above reported, the properties of the two institutions until it shall have been incorporated under such act of the Legislature as we hope to obtain, or until the effort has been made to obtain through the Legislature such power to incorporate.

Respectfully submitted,

J. H. McCOY, Chairman.

FRANK W. BRANDON,

Secretary.

Memoirs

WALTON WILSON CRYMES

Rev. Walton Wilson Crymes, son of Dr. A. C. and Mrs. M. R. Crymes, was born at Batesville, Ala., November 1st, 1877; was converted and united with the M. E. Church South, at Midway, Ala., in 1886; was licensed to preach in August, 1900. On June 29th, 1909, Brother Crymes was united in marriage to Miss Cordelia Banks, daughter of H. C. and Elizabeth Banks Jernigan. To this union were born four children; Elizabeth Cranford, age 7; Martha Clayton, age 5; Esther Banks, age 3, and Walton Wilson, Jr., age 2 weeks.

At the session of the Alabama Conference held at Ozark, Ala., December, 1900, Brother Crymes was admitted on trial and appointed to Mt. Vernon Circuit, which charge he served acceptably for four years, then Broad Street, Selma, two years. At the session of the Conference held in Eufaula, December, 1906, he was transferred to Indian Mission Conference, and appointed to Atoka Charge, 1907 and 1908; Gryman, two years; Broken Arrow, 1911 and 1912. In November, 1912, he was transferred to the North Alabama Conference, served Camp Hill-Waverly one year; Lineville Station, four years. At the last session of our Conference, he was appointed to Piedmont Station, where he served with great acceptability and success until he was called to his reward on October 21st, 1918.

Brother Crymes was an excellent preacher and a good pastor. His people believed in him and followed his wise leadership. His preaching was clear cut, scriptural, convincing, fruitful. He emphasized the fundamental doctrines of the gospel.

He was doing a great work at Piedmont and the Lord was wonderfully blessing his labors. We cannot understand just why his work was cut so short, but we know that his work was not in vain.

While Brother Crymes was pre-eminently a preacher he was also an all-round Christian gentleman. Truly a prince in Israel has fallen. He has gone to his reward and "his works do follow him."

We dare not enter the sacred realm of home and speak of his tender relations there further than to say that he was an affectionate husband and an indulgent and loving father whose devotion and wise counsel shall be greatly missed.

He leaves, besides his wife and four children to mourn their great loss, his mother, Mrs. M. R. Crymes, Birmingham, Ala.; one brother, Mr. A. C. Crymes, Birmingham, Ala.; two sisters, Mrs. E. C. Merritt, Muscogee, Okla.; and Mrs. M. H. Hitchcock, Midway, Ala. May the God of all grace, comfort and keep all the bereaved ones in these hours of deep sorrow.

ROBT. H. JONES.

NOAH WEBSTER BEVERLY

Rev. Noah Webster Beverly, son of A. H. and M. A. Beverly, was born in Claiborne, Monroe County, Alabama, February 4th, 1854, and died in Mobile, Ala., March 22nd, 1918. He married Miss H. C. Threadgill, of Marengo County, Alabama, December 18th, 1878, and his wife and five children survive him. The eldest child died. Those living are: Mrs. O. D. Dismukes, Shiloh, Ala.; Mrs. N. A. Zolaggi, Indianapolis, Ind.; Mrs. C. T. Sowden, Tallahassee, Fla.; Miss Irene Beverly, Tallahassee, Fla., and E. H. Beverly, Willon, Okla.

He was converted and joined our Church at 15, and called to preach, he served the Church in the ministry thirty-eight years. He was a member of the Alabama Conference and later a member of the North Alabama Conference, and was a superannuated member of the latter several years preceding and at the time of his death.

For about a year before his death he resided in Mobile, and for the last few months was confined to his room, and he suffered intensely. The writer of this tribute was with him constantly. In all the intense trial of these months he never uttered an unkind word nor expressed ungenerous feeling of any human being. He spoke frequently and affectionately of his brethren of the ministry and of his beloved children. He was anxious for the end to come and prayed that he might die and be relieved and go home to heaven. There was no cloud in his spiritual sky, and he manifested in a remarkable degree the overcoming power of vital faith in the

Savior. He said: "My journey has been through the wilderness, with a few flowers near my path, but thank God I was permitted to preach the gospel of Jesus Christ." In response to his oft inquiry and as instructed by his physicians I informed him he could not live long. "Thank God," he instantly replied. "I may strangle to death, but glory to God for the compensation of the heaven just beyond." When the end came he passed away like a little child going to sleep.

One who heard him preach for years said he was one among a few who always prepared and never preached except with power. His passion for preaching was all consuming. As near as any, his limitations considered, his devotion was Pauline in this "one thing I do." In all his latter days in awaiting the summons home he spoke continuously of the preachers and their work. At every thought and mention of death a smile would brighten his face or near rapturous joy illumine his countenance.

Revs. O. V. Calhoun, J. E. Northcut and L. H. S. Chappelle, Jr., assisted by the writer, conducted the funeral service, and acted as pall-bearers, aided by Revs. L. S. Gilmer, J. T. DeBardeleben, J. W. Horn, and W. T. Hutto, laid his body to rest in the Methodist preachers' lot in Magnolia cemetery. The last service rendered by Methodist ministers, who were of the brotherhood most beloved by him, and his resting place in the lot made sacred by containing the graves of his brethren.

WILLIAM THOMAS PATILLO

At the organization of the North Alabama Conference in 1870 William Thomas Patillo was admitted on trial. Then began the work of an itinerant preacher one of the best and most faithful men whose name has been upon our roll. He was born in Macon County, Alabama, November 16th, 1840. He was the son of Rev. Nathan W. Patillo and Eliza Ann Hightower Patillo. His parents settled in Macon now Lee, County, in 1838. He was one of a family of ten children. His elementary education was obtained in a small public school in the community where he was reared. At the age of eleven years he was converted and joined the M. E. Church, South, on probation, at Andrew Chapel on the Tuskegee Circuit. In September, 1850, he entered the sophomore class in the East Alabama Male College located at Auburn, at its opening session. Here he continued until 1861 when he enlisted as a volunteer in the army of the Confederate States of America, in the company raised by Rev. J. W. Rush, of the Alabama Conference. He remained in the army until the surrender in 1865. After the war he returned to his home where he taught school for five years. In the fall of 1865 he was licensed to preach by the Quarterly Conference of Loachapoka Circuit, Rev. C. D. Oliver being the Presiding Elder. On November 21st, 1870, he was admitted on trial into the North Alabama Conference, having been ordained a local deacon on the day before by Bishop McTyeire, who was a visitor to the Conference. He served the following charges: Socapatoy, four years; Pinckneyville Ct., two years; Oak Bowery Circuit, three years; Van Buren Circuit, two years. At the session of the Conference held in Oxford in 1881, he was appointed principal of the LaFayette District High School to be located at Ashland. After one year he retired from school work and served as follows: Lineville Circuit, four years; Roanoke Circuit, two years; back to Lineville, two years; Pratt City Station, one year; Limestone Circuit, one year; Hartselle Circuit, three years; Oneonta Circuit, one year; Remlap and Mt. Pinson, one year. This closed his work in the active ministry. At the Conference of 1899 he was placed on the honor roll.

On the 16th of July, 1867, Brother Patillo was united in marriage to Miss Sarah B. Cole of Macon County. In her he found a helpmeet indeed. Standing by his side she held up his hands all through the more than fifty years of wedded life. To this union were born seven children, four girls and three boys. Only one of them—the oldest daughter preceded him to the better land. The others are all active in church work, honoring in their Christian life the father who set them such a good example.

In 1901 Mr. John E. Morriss, a big-hearted layman, proposed to the Conference to build and furnish a home to be known as a "Superannuate Home," to be occupied by one of the Conference claimants. When this home was ready it was offered to Brother Patillo and in April, 1902, he and his family took possession of the Home

located in Montevallo. For sixteen years he lived among the people of Montevallo, loved and honored by all denominations. His residence here was a great blessing to the people. For a number of years he did quite a good deal of preaching in the churches near by and by assisting in protracted meetings. He has finished his work. A good man, a model husband, a devoted father and a loyal citizen he lived his life well and his works do follow him. He never failed to attend a single session of the Conference, but at the next roll call the voice of the Secretary will soften as he calls his name for the last time. On the night of July 31st, 1918, surrounded by all his family he quietly fell asleep and entered into his reward. The next afternoon the writer, assisted by Rev. J. W. Norton and Rev. W. K. Simpson, laid his tired body to rest in the quiet little cemetery in Montevallo to await the resurrection morn.

"Servant of God, well done; rest from thy loved employ."

JAMES FRANK RUDISILL

James Frank Rudisill was born in Saundersville, Ga., March 22nd, 1867. He was the son of John W. and Martha Ann Pournelle Rudisill.

He was converted and joined the M. E. Church, South, in Anniston, Ala., in a meeting conducted by Rev. John B. Culpepper.

He was licensed to preach by Broad Street Church, Columbus, Ga., Dr. J. B. McGehee being the Presiding Elder, June 28th, 1891. He spent some time in Emory College, Oxford, Ga., but was compelled to leave before he completed the course on account of his failing health. His first work in the ministry was a supply in Jeffersonville, Ga., for a sick preacher.

He was admitted on trial into the North Alabama Conference in 1892; ordained Deacon by Bishop Galloway in 1895, and Elder by Bishop Key in 1898.

He was twice married and the father of four children. Two of these died in infancy, and the other two, with their mother and two step-children, survive him. After a very short illness he died in Birmingham, Ala., December 22nd, 1917.

Brother Rudisill was consecrated to the work of the ministry and was faithful in the performance of his duty in every charge he served. He was a Bible preacher. He loved the word of God and studied it much. He was always cheerful and optimistic in his disposition. His was a religion of good tidings, and it gave him joy to tell these tidings to others. In all the relations of life he showed the evidence of being a man acquainted with Jesus Christ. His ministry was earnest and faithful. In his home life his real character appeared to its fullest advantage. He was a model husband and father, and his children honored and revered him.

He has finished his work here and entered upon his reward. He served well and we will know where to find him. The legacy he left his family is better than much fine gold. May his loved ones follow him as he followed Christ till they meet in the city of God.

JOHN GARROTT WALKER

Rev. John Garrott Walker was born at Linden, Ala., Marengo County, August 30th, 1836, and died at his home in Columbiana, Ala., September 24th, 1918. The son of Christian parents, he was converted and joined the Methodist Church at the age of eleven. The foundation of his literary education was laid in the Schools of Moundville and Havana, Ala. The superstructure was carefully directed by the renowned artificers (teachers) of Summerfield, Ala., where he spent four years. Thence to the Southern University, Greensboro, Ala., where as a young preacher he continued his course to within three months of his graduation. In 1861 as a Christian Patriot, he responded to his Country's Call, enlisted in the 21st Mississippi Regiment, and served faithfully to the end of the war. After the war he was persuaded by his half-brother, who was a Physician, to study Medicine, but finally told him: "You can roll pills and I will roll the Gospel."

Recommended by the Greensboro Quarterly Conference, he soon became an Itinerant Methodist preacher. A member of the Church over seventy years, a Methodist preacher over sixty-four years, a member of the Sunday School over six-

ty years, a charter member of the North Alabama Conference, a charter subscriber to the Alabama Christian Advocate, and a life-long reader of the Christian Advocate.

Brother Walker was thrice married. November 15th, 1864, he married Miss Winifred Camp in Munford, Ala. Two children, Sallie and Maggie, now Mrs. Hicks and Mrs. T. J. Weaver, Columbiana, Alabama, from this union. While on Plantersville Circuit, September 18th, 1869, this wife died.

In 1870, while Pastor of Center charge, Brother Walker married Miss Katie Reeves. Again two precious girls, Sudie and Grace. While Pastor in Guntersville, Sudie died, while Grace was spared to nurse and care for her father in his last years like an Angel of love and mercy incarnated.

While Pastor in Tuscumbia there came the yellow fever epidemic and only Brother Walker and the Episcopal Rector remained in the City to represent the Christian Ministry. Brother Walker had the fever, but his family escaped. Soon after, however, August 19th, 1878, his wife died leaving him with the three little girls. His next appointment was Jacksonville and White Plains, where he served four years, and then superannuated.

February 22nd, 1881 he married Mrs. M. B. Brooks of Piedmont, Ala. Later on was readmitted to the Conference and sent to Columbiana Circuit. Here three years, then to Childersburg three years; thence to Munford. While here he superannuated finally, then lived in Jacksonville and Anniston a few years, and in 1900 came back to Columbiana to make this his home till summoned to his heavenly Mansion.

In June 1915, he attended the Commencement at Greensboro, marched at the head of the Senior Class and received the following Diploma:

"To All to Whom These Presents May Come—Greeting:

The Southern University

Through its Board of Trustees, upon recommendation of its President and Faculty, in recognition of the noble and heroic services performed by him for the State and the Confederacy in the epic struggle for separate National Autonomy, have conferred this Diploma, with the honorary degree of

Bachelor of Arts

Upon

JOHN GARROTT WALKER

who was prevented from completing the regular prescribed course by his resignation from the Southern University in the Session of 1861 in order to enter the service of the Confederate States Army.

Given under the Seal of the Southern University in the City of Greensboro, Hale County, Alabama, this the first day of June, 1915.

C. A. RUSH, President.

J. S. FRAZER,

President of Board of Trustees."

Brother Walker's first charge covered a territory of one hundred miles and for the year's work he received in money \$200.00. His last appointment, twenty-two years a superannuate preacher, eighteen years in the same little town, without the dynamics of compulsory duties, just to live the Gospel and furnish a Christ-like example every day of the year, "blameless and harmless the son of God without reproach," what a contrast! Many Christians can mount up with wings as eagles and fly in the service of our King; some can run and not be weary; but only a very few can walk the King's Highway and not faint nor fail. Brother Walker was such a saint. We rejoice in the power of the Gospel to save an old sinner's soul. How much more should we rejoice in its power not only to save the soul but the whole life also, like Brother Walker's eighty-two years for God and his Church. He was one of those planted in the House of the Lord, and flourished in the Courts of our God, still bringing forth fruit in old age. Psalm 92:13-15.

A cultured, scholarly, chivalric Christian gentleman; a preacher of the Gospel, divinely called and commissioned—he spake with authority, the Holy Ghost bearing witness with power. While he had a voice like a trumpet, his utterances never seemed harsh and sharp, but saturated with Apostolic fervor and genuine enthusiasm. As he ripened in Christlike character, his intercessory prayers in the House of God came as from the High Priest of the Nations. "Perfect through suffering"

seems ever to have been the experience of His chosen ones. Brother Walker suffered long and intensely, but patiently, submissively, and hopefully. For several years his constant testimony has been: "I'm just waiting at the crossing. I know He will come for me by and by. His will be done forever!" And He did come in a cloud of Glory, some days before his departure, filled and thrilled his faithful martyr's soul with heavenly joy and peace; and then withdrew the Glory of His presence till the crowning moment should come. And so "He giveth His Beloved Sleep."

In the Columbiana Methodist Church, which he had served as Pastor in other years, his funeral was conducted by his pastor, Rev. A. J. Notestine, assisted by T. K. Roberts; and in the City Cemetery his weary form was laid to rest.

T. K. ROBERTS.

JOSHUA WARREN

Rev. Joshua Warren was born in Talladega County, Ala., November 13th, 1855. His parents moved from East Tennessee, to Talladega, Ala., in 1840. They were not rich in this world's goods, but were rich toward God in faith and good works, which was far better. They were not able to give their children a collegiate education, hence the literary advantages of the subject of this sketch were limited to the country schools in the communities where he lived. He was converted at the age of fifteen, at Bethel Church, on the Talladega Circuit, under the ministry of Rev. W. R. Kirk, and joined the Methodist Episcopal Church, South. He was licensed to preach by the Quarterly Conference of Harpersville Circuit in 1885, Rev. S. R. Emerson was preacher in charge, and Rev. J. T. Morris was Presiding Elder. He was admitted on trial in the North Alabama Conference at Florence, Ala., in 1886, and received into full connection in 1888.

He was appointed to the following charges: Waterloo Circuit from 1887 to 1890; Summit Circuit, 1891; Cleveland Circuit, 1892; Coosa Valley Circuit, 1893-1894; New Hope Circuit, 1900; Leeds Circuit, 1902; Piedmont Circuit, 1903; Lincoln Circuit, 1904-1905; Boaz Station, 1906; Easonville-Pell City, 1911, 1912, 1913, 1914. This was his last pastoral charge. He superannuated at the session of the Conference held at Sylacauga, November, 1914.

Brother Warren was a splendid preacher, and exemplified the Gospel that he preached in his own life. The people took "knowledge of him that he had been with Jesus." He knew how to lead poor lost souls into the Kingdom of God. Many will rise up in the great day of accounts, and call him blessed for having led them to Christ. He was a good pastor. He had the happy art of visiting the people and praying with them in their homes. Wherever sickness, sorrow and distress were found, he would gladly render any assistance possible to relieve the suffering, and comfort those in sorrow. Such tender and affectionate ministrations upon his part caused the people whom he served to love him dearly. He was first married to Miss Amanda A. Goggins, and to this union were born six children. One died in infancy, another son died at Florence, Ala., when about eighteen years of age, and two noble sons died in the service of our country in the Philippines. He has one gifted son, a graduate of Birmingham-Southern College, who is now serving our country as First Lieutenant, at Camp Wheeler. His daughter, Mrs. P. H. Holcomb, resides at Woodlawn, Birmingham, Ala.

His second marriage, something over twenty-five years ago, was to Miss Mecca Waters. She is still living, and in the midst of great affliction and sorrow, leans upon the Everlasting Arms. Brother Warren occupied the Superannuate Home at Pell City, which was built for him when he superannuated. He died in Birmingham, Alabama, February 12th, 1918. He lived in daily communion with God, and was ready when the final summons came. Like Enoch of old, he "walked with God, and was not for God took him." The writer visited him a few hours before his death, and he said: "It will soon be over." I felt that in that calm hour, he realized that his faith would soon be lost in sight, and his hopes would ripen into fruition, as his pure and deathless spirit would wing its flight away to that beautiful City which "hath foundation whose builder and maker is God." His funeral service was conducted by Rev. Robt. Echols, at Woodlawn, assisted by Dr. J. T. Morris, Dr. L. C. Branscomb, and the writer, and was buried in the beautiful cemetery of Woodlawn to await the resurrection of the Just.

We pray the richest blessings of God upon his loved ones, in their grief and sorrow.

J. W. NORTON.

RESOLUTIONS ON THE DEATH OF CAPT. SAMUEL BLACKWELL

Whereas, In the providence of God Capt. Samuel Blackwell has recently been called from labor with us to his reward above, therefore:

Resolved, First, That in the death of Brother Blackwell the Church has lost a faithful member, the cause of Missions an able advocate, and the Board of Missions one of its truest and best members. He was a member of this body for almost twelve years, and during all this time he was faithful to attend our meetings, was wise in counsel, and always gave his powerful influence to any movement that looked toward progress or enlargement of the work.

Second, That we will remember him in gratitude to God, ever endeavoring to emulate those virtues for which he was prominent.

Third, That we tender to his widow, his children and other loved ones our tenderest sympathies in the loss they have sustained in his death, and that we pray God's gracious blessings upon them in their bereavement.

Fourth, That a copy of these resolutions be sent to the family of Brother Blackwell, a copy furnished the Alabama Advocate for publication, and that they be presented to the Conference for publication in our Journal.

(Signed) R. F. LOVELADY,
E. M. GLENN,
R. M. ARCHIBALD.
